SOMETIMES A LITTLE
MYSTERY IN LIFE CAN BE A
GOOD THING... SOMETIMES.

And at other times, any amount of mystery is a terrible idea. Some things are just too important to leave to chance or fate. Our top three areas of required certainty would have to be brain surgery, rocket science, and oysters. And while all three are pretty awesome in their own right, our area of expertise is oysters. Top quality, fresh, delicious oysters.

The Emersum Oyster is exclusive to Jax Fish House and is the freshest oyster 'this side' of either coast. Rappahanock River Oysters (RRO) has been run by the Croxton family since its inception in 1899. Ryan and Travis Croxton sustainably grow and harvest every Emersum Oyster for us with the certainty that for every oyster that's grown, dozens of wild oysters are seeded in an improved Chesapeake Bay eco-system.

That kind of certainty means that we don't just know where the Emersum Oyster comes from, we know exactly where it lives. It means that we can point to an exact spot on a map where the Emersum was raised and know the quality of the water, the environmental influences, and the conditions that will produce this consistently rich and delicious oyster with a size, taste, texture and liquor that you can count on, each and every time.

OUR PURVEYORS

We strive to source the highest quality products from local purveyors, farmers and ranchers.

As always, we'd like to extend a special thanks to our friends and partners, Paul, Scott and Blair at Northeast Seafood. They've provided us with daily deliveries of the freshest and finest the sea has to offer since 1989.

EAT FISH, LIVE LONGER.

We serve amazing seafood to 'coast-less communities'. Our greatest desire is to share the best, freshest and most delicious seafood with deserving, landlocked diners. We build relationships with fishmongers all over the country and mindfully prepare their sustainable harvest. These relationships guarantee the seafood you enjoy is of unmatched quality, flavor and abundance.
